Trainer Bobby Barnett

: D.O.B. 7/30/49)

In the case of CACTUS TOM who finished 2nd in the 3rd race at Keeneland on 10/24/07 and was disqualified after testing positive for the prohibited drug Atenolol (class B) the stewards took no action against trainer Barnett. This was due to the finding of fact that Mr. Barnett was not notified in a timely manner which hindered his ability to fully investigate the source of the afore mentioned drug. This delay was caused by Iowa State University Diagnostic Laboratory, the official testing laboratory of the Kentucky Horse Racing Authority, not informing the KHRA until 44 days after the test was declared a positive.
